..... Evacuation route

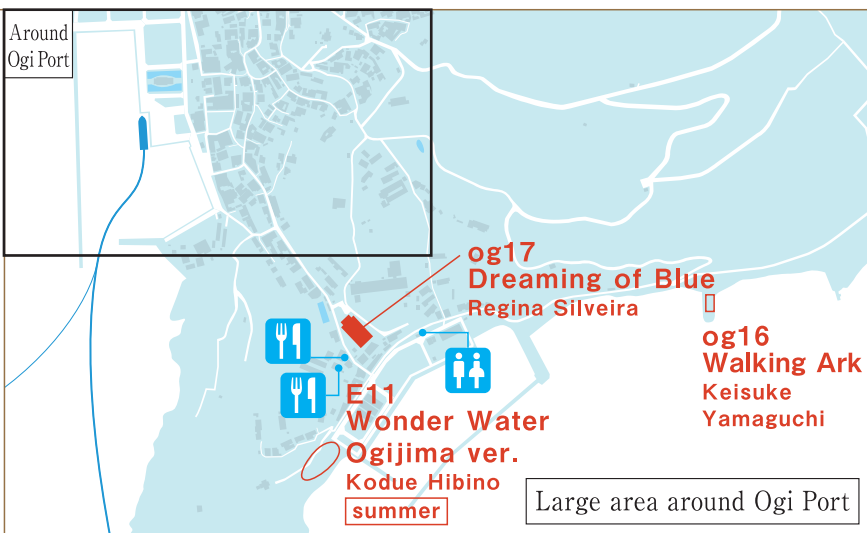

Ogi Elementary and Junior High School Gymnasium will serve as an evacuation site if ship services are suspended in the wake of a major disaster. Follow the instructions of the information center staff or other personnel to evacuate calmly.

Attention!

- Keep the island clean. Be sure to take your trash with you.
- There is no smoking area on the island. Please practice good manners.
- Greet villagers nicely.
- Ogijima has many narrow roads. When passing someone, pay attention. Be careful not to block traffic for villagers.
- Bicycles are prohibited in village community areas.
- The information on   is correct as of April 3. For opening hours and other details, please contact the store.
- You may encounter wild boars outside the village community areas. If you come across any, do not turn your back to it. Walk backwards slowly and leave quietly. Do not try to take a photo or chase it, because it may think you are an enemy and attack.
